**Consistently High Standards of Workmanship....
Personalised and friendly customer service**

In business over 58 years

SPECIALISTS IN

Heating, ventilation, air-conditioning ducting and accessories

PRODUCTS

A large range of round, rectangular and general sheet metal products.

STOCK

Various range of items in stock

CUSTOM JOBS / GENERAL FABRICATION

We can make almost anything you require up to 1.6mm thickness in galvanised steel and up to 1.0mm in stainless steel.

252 CHURCH STREET, ONEHUNGA

'The big orange building on the corner'
P O Box 12-467, Penrose, Auckland, 1642

www.jensenmetals.co.nz

NOTES ABOUT THIS CATALOGUE

1. Jensen's standard products are pictured on page's 6 and 7
2. All prices are exclusive of GST and are ex factory
3. Trade / volume discounts apply
4. We are able to make anything to your own requirements
5. All items are in compliance with SMACNA duct standards
6. Diameters of stock round fittings are made to suit spiral internal diameter
7. Stock items returned for credit will incur a 25% restocking fee
8. In some instances a packaging fee may be charged

HOW TO ORDER

BY PHONE / FAX:

Phone us on (09) 634-3116 or fax (09) 636-4602 , and our sales staff will be happy to assist you with any queries and take your order.

BY POST:

Post to P O Box 12-467, Penrose, Auckland, 1642.

BY EMAIL:

Email details to sales@jensenmetals.co.nz

DROP BY:

Visit us at 252 Church Street, Onehunga, Auckland. This is a very good way to discuss difficult drawings and dimensions for projects that are too difficult to be discussed over the phone.

HOW TO OPEN AN ACCOUNT

A credit account application form is at the back of this catalogue. Please tear out, fill in both sides and email, post or fax it to us. We will contact you when the account has been opened

PRICES AVAILABLE ON REQUEST

BLAST GATE

STAND OFF BRACKET

ACCESS PANEL

WE ALSO MAKE / SUPPLY TO ORDER

- Flashings
- Rainwater Heads
- General sheet metal products
- Perforated strapping
- Flexible duct connector

A FEW PRODUCT EXAMPLES

We have our own Spiro Tubeformer machine

We carry extensive stocks 80mm up to 600mm diameter in:

Galvanised - 2 & 3 metre lengths
Stainless 304 - 3 metre lengths (Assorted diameters)

We can also custom make

- * in heavier gauges and longer lengths,**
- * in Colorsteel, copper, aluminium & stainless 316** (min. Vol. Required)

Prices on application

Stiffening rib for sizes 200mm and above (available on request) **free of charge**

SPIRATUBE USES:

- Duct for heating, ventilation and air conditioning
- Exhaust stacks
- Wood chip conveyers
- A casing for insulated oil supply pipe, chilled water pipes etc
- Concrete column and pile liners
- The barrel to support roller shutter doors and grilles
- A duct tube for joining pre-cast concrete componentry
- Fluming for water drainage projects
- Culvert pipe

550	195.00

3 Metre Lengths

Firebreak Duct

- Metalized inner core
- Polyester insulation
- Metalized outer fire jacket
- Operating Temperature: -20°C to +80°C
- Operating Pressure: -190pa to 1200pa
- General use: Heating and cooling
- Complies with A.S. 4254-2002
- Insulation is Rated R0.6

Test Certificates available

DN 24	upto 200ø	1.65 each
DN 36	upto 250ø	1.90 each
DN 48	upto 375ø	3.25 each

For securing round flexible duct to outlets, pipes or fittings. No screws, no clamps, tape over join for air tight seal.

Tapes

Duct Tape - Black

\$8 PER ROLL

For use with flexible duct to ensure an airtight seal
48mm x 30m

Aluminium Reinforced Tape

\$30 per roll

48mm x 50m

Flashing Tape

\$85 PER ROLL

For permanent weatherproof installations on roofs. Self adhesive, 1.2mm thick x 100mm wide, contains bitumen.

Jensen Adjustable Bends, sometimes known as a lobster back.

Available in both 45 ° and 90° bends

45 ° 3 segment
Adjustable
0 to 45 degrees

90 ° 4 Segment up to 450ø
5 Segment 500ø and above
Adjustable
0 to 90 degrees

90° bends are available in short and long radius. The most commonly used is short radius.

- We have an extensive range of bends in stock. Stocks are made from 0.55mm galvanised or stainless steel
- Offsets can be obtained by joining two adjustable bends

Note: For an air tight bend the joints should either be sealed with metal sealant and/or duct tape after the angle is set.

When joining, the gasket rolls down to lodge against the inner groove forming an airtight seal.

- * Self sealing - no sealant required
- * Time saving
- * Quick and easy to use
- * Airtight joint

Can be used with rolled pipes and any of Jensen's fittings (except for adjustable bends)

Joint connection meets or exceed SMACNA'S leakage class 3 requirement, per SMACNA's Duct Design Manual from -12" W.G. to +12" W.G.

TERMS OF TRADE

1. What is the purpose of this agreement?

1.1 This agreement sets out the terms that apply to the relationship between you (and "you") and **Jensen Metal Products (NZ) Limited trading as Jensen Metal Products** ("we", "us" and "our").

2. What information about you can we collect?

2.1 You agree to provide us with and allow us to use all information necessary to give effect to this agreement, the provision of our goods and performance of our services.

2.2 Unless your consent is withdrawn in writing, you agree to the disclosure of information:

- a. to give effect to the provision of our goods and performance of our services;
- b. to enforce our obligations under this agreement or an additional agreement;
- c. when authorised by you or required by law;
- d. to assess credit worthiness; and
- e. to market any of our goods and services.

2.3 We will comply with the Privacy Act 1993. We will not use your information unless we have reasonably ensured it is accurate, complete, relevant and not misleading. If we give you information to another entity we will do everything reasonably within our power to prevent unauthorised use or disclosure of your information. You may access your information and ask us to correct any mistakes.

3. What are our goods and services?

3.1 "Product(s)" and "service(s)" means and includes without limitation:

- a. sheet metal, ducting, pipes, dampers, components, parts, items, units, systems, accessories and materials (whether separate, attached to something or the subject of our services);
- b. manufacture, fabrication, supply, labour and optional delivery; and
- c. agency fees, charges and out of pocket expenses incurred by us, identifiable in any document or record issued by either party, all of which are deemed to be incorporated into and form part of this agreement, or as ours by marking or manner of storage.

4. What is the price?

4.1 The price is the cost of the products and services as agreed between you and us from time to time subject to GST and out of pocket expenses such as freight. If no price is stated, the price will be the amount at which that we provide the products and services at the time of your request. The price is subject to reasonable change due to circumstances beyond our control such as exchange rate fluctuations or delays in transportation of imported products.

5. What happens when we give you a quote?

5.1 If we give you a quote for products and services:

- a. the quote will be valid for thirty (30) days, unless withdrawn or stated otherwise;
- b. the quote will be exclusive of GST and delivery costs, unless stated otherwise;
- c. you will be responsible for increased costs resulting from any subsequent changes to the quote due to any inadequate or inaccurate information, request/requirement for additional products and services or variations; and
- d. we may alter the quote due to circumstances beyond our control or clerical or computer error.

6. When and how do you pay us?

6.1 You agree to pay us in full:

- a. on or before the 20th day of the month following the date of our invoice, unless otherwise required;
- b. interest on any amount you owe after the due date at 2.5% per month or part month;
- c. expenses incurred as a result of enforcing any of our rights contained in this agreement including PPSR registration, debt collection and legal fees;
- d. without set-off, deduction, counterclaim or retention; and
- e. a deposit may be required if you do not hold a credit account.

6.2 You agree to us allocating or reallocating any payment received from you towards any invoice. If no allocation is made then it is deemed to be in such a way that preserves the maximum value of our purchase money security interest in the products.

6.3 If you have given a credit card or direct debit authority, we may require a credit card retention for the value of the products and services and deduct the same from your credit card. Each credit card payment will incur a surcharge of 2.5% of the value of the payment.

6.4 You will be responsible for payment if a third party that you expect to pay you or us fails to pay.

7. What warranties and limitations apply?

7.1 Manufacturers' and third party warranties (where applicable).

7.2 Samples shown to you may differ from products provided to you.

7.3 If you are in trade and/or are a business, you agree that the parties contract out of the Fair Trading Act 1986 and Consumer Guarantees Act 1993 to the extent permissible by law.

7.4 We are not liable for delay or failure to perform our obligations if the cause is beyond our reasonable control.

7.5 Subject to applicable insurance and 7.1-7.4, if we are deemed liable for loss or damage of any kind, however arising including from provision of products and services to you, including consequential loss, whether suffered or incurred by you or another person or entity and whether in contract tort or otherwise, our total liability is limited to the value of products and services provided to you.

8. What if you wish to make a claim relation to our products and services?

8.1 Special order, custom made and purposely built products cannot be returned unless due to incorrect supply or fault/defect.

8.2 Subject to 8.1, claims in relation to our products and services are subject to the following:

- a. for claims relating to faulty/defective products the terms of the warranties applicable to that product;
- b. for claims not relating to fault/defective products, you notifying us within seventy-two (72) hours of pick up/delivery;
- c. the products being used in accordance with the manufacturer's/our instructions;
- d. the products not being subject to abuse, neglect, misuse, accident or work by a unauthorised third party;
- e. us repairing or replacing any defective products or performing further services at our discretion;
- f. a restocking fee equal to 25% of the product may apply to returned products.

9. When will the products and services be provided?

9.1 We are responsible for the products until delivery in accordance with 9.2, pick up by you or the passing of ownership under 11.1, whichever comes first.

9.2 Delivery is complete when we give the products to you, give the products to a third party carrier, or leave the products at the delivery address. The time of delivery is not an essential term of this agreement. We may partially deliver products listed in one order. If the parties agree on delivery by instalments and we fail to deliver an instalment, the failure will not give rise to a right of cancellation.

10. For what are you responsible?

10.1 You are responsible for ensuring that all plans and drawings on which we base our products and/or services are accurate and complete. We are not liable for variations and additions to our products and services where such is the result of inaccuracy or incompleteness and you will be responsible for the cost of additional products and services required to remedy any issues. If you do not meet these obligations adequately, any and all loss or damage is your sole responsibility.

11. What ownership and security rights do we have?

11.1 We retain ownership of and hold a security interest in all products until you have paid us in full for all products provided to you. While we retain ownership, you will store all products in such a way that our interests are protected and they can be identified as provided by us.

11.2 You agree that we hold security interest in all of your present and after acquired property connected with products and services provided to you, and:

- a. authorise us to register a financing statement and charge on the Personal Property Securities Register, and provide all information and signatures necessary to effect the same;
- b. will not register a financing charge or statement or charge demand in respect of products without our prior written consent;
- c. waive your entitlement under s 148 of the Personal Property Securities Act 1999 (PPSA) to receive a copy of a verification statement where we have registered our interest;
- d. that both parties contract out of s 114(1)(a), 133 and 134 of the PPSA;
- e. waive your rights as listed under s 107(2) of the PPSA; and
- f. give us seven (7) days prior written notice of any proposed change in your name or details such as contact information.

11.3 You agree that your failure to pay for the products and services by the due date may give rise to a legal or equitable estate or interest in your land on which the products and services were carried out and affixed and that the interest entitles us to register a caveat against your land.

11.4 Where appropriate, we own the intellectual property rights connected to our products and services.

12. What if you want to vary an order?

12.1 All orders are subject to these terms and conditions and no order may be varied unless both parties agree to the variation before production commences. If we have reasonably relied on your original instructions then you will be responsible for payment of the original price of the products and services.

12.2 We may vary an order where any items of the products or services within the order is impractical or uneconomic to supply.

13. When can a party cancel this agreement?

13.1 Subject to 13.2-13.5, either party may cancel this agreement at any time by giving fourteen (14) days prior written notice.

13.2 We have the right by seven (7) days prior written notice to suspend or cancel wholly or in part this or any agreement for the provision of products and services if you default by:

- a. failing to pay or indicating you will not pay any sum owing by the due date;
- b. any of your creditors seizing or indicating they will seize any products provided to you;
- c. products in your possession becoming materially damaged while any amount remains unpaid;
- d. being bankrupted, insolvent, under statutory management or put into liquidation;
- e. a receiver being appointed over or a landlord possessing any of your assets;
- f. a court judgment entered against you remaining unsatisfied for seven (7) days;
- g. breaching the terms of this agreement; and
- h. an adverse material change in your financial position.

13.3 If you default we may exercise a lien against any products in our possession.

13.4 You agree that if you default and the default is not remedied within seven (7) days, we may enter any premises occupied by you to inspect or retrieve any products. You will provide reasonable access to such premises and do all things necessary to give effect to our obligations. We may resell any products and credit the net sale proceeds to your account for the invoice value less adjustment for the condition of the products and a restocking fee equal to 25% of the value of the product.

13.5 Cancellation under 13.1 or cancellation or suspension under 13.2 will not affect either party's claim for any amount due at the time of cancellation or suspension, damages for any breach of obligations under this agreement and any other legal rights either party may have. Upon cancellation of this agreement any amount owed by you for products and services provided up to and including the date of cancellation will become immediately payable and current orders will terminate.

14. Does a personal guarantee apply?

14.1 If you are a director of a company or the trustee of a trust:

- a. in exchange for us agreeing to supply products and services and/or grant credit to the company or the trust, you also sign this agreement in your personal capacity, and jointly and severally personally undertake as principal debtors, to pay everything that the company or trust owes us, and to indemnify us against non-payment and/or default; and
- b. any personal liability of you as director or trustee will not exclude the company or trust from the liabilities and obligations contained in this agreement.

14.2 A guarantee provided under 14.1 will continue to apply notwithstanding changes to these terms of trade in accordance with 15.8 and/or prior dealings.

15. What else is agreed?

15.1 We may outsource (contract out) part of the work required to perform our services, you agree to pay for all amounts due in connection with the same.

15.2 A failure by either party to enforce any of the terms of this agreement will not be deemed to be a waiver of any of the rights or obligations under this agreement.

15.3 Neither party may assign or transfer their rights or obligations under this agreement to any other party without our prior written consent.

15.4 If any of these terms are determined to be invalid, void, illegal or unenforceable, the validity, existence, legality and enforceability of the remaining terms will not be affected.

15.5 This agreement supersedes all prior agreements, representations and warranties. Any instructions we receive from you and all arrangements between the parties are subject to these terms.

15.6 If a dispute arises between the parties either party must notify the other in writing within seven (7) days of the dispute arising. The parties will endeavour to resolve the dispute by negotiation within seven (7) days of receiving notice. If the parties cannot resolve the dispute then each party will have the right to refer the dispute for mediation or arbitration at any time. The arbitration will be undertaken in accordance with the Arbitration Act 1996. The presence of a dispute will not affect either party's claim for any amount due, damages for any breach of obligations under this agreement and any other legal rights either party may have.

15.7 Documentation related to this agreement may be served on you by email.

15.8 We will notify you of any changes to these terms and publish the same on our website - continued provision of products and services will be subject to your signed or written acceptance of the same. All other variations must be mutually agreed in writing.
